What is your interest in this panel?

- Don't know the topic, want to learn more - 3%
- Interested in topic, want to learn more - 63%
- Topic's important, want to share opinion - 20%
- I like the panelists - 13%

Are you On-site or Off-site?

- On-site - 84%
- Off-site - 16%
What island are you on?

- Kauai - 4%
- Oahu - 89%
- Molokai - 4%
- Lanai - 0%
- Maui - 0%
- Hawaii - 4%

What category best describes you?

- Business Professional - 53%
- Environmentalist - 6%
- Educator or Student - 18%
- Government Official - 12%
- Entrepreneur - 6%
- Interested Citizen - 6%
Do you favor bringing LNG to Hawaii?

- Yes: 46%
- No: 42%
- Undecided: 12%

If we import LNG as a "bridge" fuel; THEN we should:

- Pay less for long-term infrastructure: 46%
- Pay more for short-term infrastructure: 37%
- Undecided: 18%
If Yes, Hawaii should import LNG because . . .

- It's cheaper and more stable than oil - 44%
- It's cleaner than oil - 12%
- It will enhance our move to renewables - 44%

If No, Hawaii should NOT import LNG because . . .

- It continues dependence on foreign oil - 13%
- It uses fracking - 57%
- It will slow movement to renewables - 22%
- We should stick with petroleum - 9%
