Panel 2. Customer Choice: Utility Models On or Off the Grid

Ben Sullivan bsullivan@kauai.gov
Kauai County Energy & Sustainability Coordinator
July 16, 2015
1) For your home or your business, have you considered leaving the utility grid?
2) When community solar is available, will you participate in it?
3) Should the state continue tax credits for solar roofs?
4) Should the state give tax credits for battery storage?
5) What is most important for customers to have choice in electricity use?
6) where is storage best sited?
